OUR FLEXIBLE AUCTION ROUTES

A step by step guide

Selling your property through auction has never been easier thanks to the Modern Method of Auction.

Traditionally a market limited to cash ready investors, the Modern Method has evolved auctions to be inclusive to a wider variety of buyers and sellers. Namely, it offers fixed yet realistic timescales (an average 28-56 days) to accommodate the typical residential buyer looking to arrange a mortgage.

Coupled with 0% commission to sell, this route offers a quick, cost-effective option to achieve maximum exposure and value from a bigger audience than ever before!

Once the auction ends...

Modern Method - The successful buyer is required to pay a Buyers Reservation Fee/Deposit and sign a Reservation Agreement. The property is then reserved to the buyer. The buyer and seller are then required to unconditionally exchange contracts and complete the transaction within 56 days.

Traditional Method - Contracts are exchanged immediately, with completion taking place within the next 28 days. Complete security is provided but this method is more suited to the property professional as it is legally binding.

1

Let's start at home

We'll discuss and agree an undisclosed Reserve Price (the price your property will not sell for any less than) and a Starting Bid (the price that the property is marketed to generate interest).

2

Preparation

Your estate agent will prepare all property details, take photographs and arrange the EPC if required.

3

The Auction Pack

The team will begin preparing the Auction Pack including all legal documentation. The cost for the pack is £445 including VAT and is only payable by you if your property sells.

4

Pre-Auction Marketing

We begin to advertise your property whilst the Auction Pack is being prepared, to generate as much exposure, interest and viewings as possible.

6

Bidding

All prospective bidders must download the Auction Pack and accept the terms before bidding. Bids can be viewed and made in real time, 24/7.

5

Ready, set, go!

After 14-21 days, an end date and time is set on your bespoke auction and your property goes 'live', meaning bids can be made via the online or room auction.

If you chose to pay no sales fees, you'll keep the full price achieved on your property as the Buyer **Reservation fee** (paid in addition to purchase price) will cover our costs. Should you opt to pay the sales fee instead, we will take a **deposit** from the buyer (forming part of the purchase price) to secure the sale. As this is paid on a non-refundable basis, you know they are dedicated to the purchase.

Our expert Sales Progression team will help to take the sale through to completion, keeping you updated every step of the way.

FAQ

Is my property going to sell?

To maximise the chances of selling through auction you need a motivated and realistic seller, and great marketing exposure. Our marketing strategy will give you the fairest price in the current market for your property. We will discuss the most effective pricing strategy to maximise interest on your property.

Do I have to accept the highest bid?

No, all properties are sold with an undisclosed minimum reserve price (agreed with you). The only price the public see is the starting and actual bids. Once the reserve price has been met and the auction is closed the sale will proceed. A Reservation Fee/Deposit is then taken. If you choose to pay no sales fees, the Reservation Fee will not form part payment of the purchase price but will be paid in addition to cover the costs of the process.

Can I accept bids outside the auction process?

Yes. You can accept a bid before the auction has finished. We are legally obliged to put any bid forward to you. It will then be up to you to decide if you wish to accept it and conclude the auction early.

How quickly will I have to move out?

Depending on which auction option you select this can be decided by you but will generally be between 28 – 56 days.

If the prospective buyer does not agree to pay the fee, will I lose my offer?

If a prospective buyer does not agree to pay the fee, we will advise you accordingly and seek your instructions.

AUCTION PACK

This is a legal requirement for auction sales that will incur a cost for you to consider.

If you decide to sell your property via auction, you will need an Auction Pack for your property. These packs contain important information about your property that a potential buyer needs when deciding whether to bid. These packs include the following things:

- ✓ Local Authority Search
- ✓ Property Information Questionnaire
- ✓ Water & Drainage Search
- ✓ Reservation Form or Contract
- ✓ Title Plan & Register or Epitome of Title
- ✓ General Terms & Conditions
- ✓ Fixture & Fittings Form
- ✓ Any Special Conditions of Sale

! We can provide a pack for you. If you choose to instruct us on the sale of your property we will discuss all the options and costs with you in more detail.
The Auction Pack is paid for on completion and you only pay for the auction pack if your property is sold. No Sale, No Fee.

! Should you wish to provide your own Auction Pack we will need a copy before we are able to sell your property.
